ICT NETWORK SAFEGUARDING ACCEPTABLE USE AGREEMENT

Software used to Safeguard Students at Brownhills

**Policy Central Enterprise
P Counter
Lanschool**

Policy Central Enterprise

Policy Central allows the most senior ICT Technician to monitor Student computer activity.

P Counter

P Counter allows the most Senior ICT Technician to see a Students Print History

LanSchool

LanSchool allows the most Senior ICT Technician to take control of a Student machine or monitor computer activity.

Policy Central has an Acceptable Use Policy, once a student log into any computer on site the below statement appears and they can either accept or decline.

**If they accept the student has agreed to the below statement.
If they decline the computer will log off.**

BROWNHILLS SCHOOL ACCEPTABLE USE POLICY

Brownhills School has an Acceptable Use Policy (AUP) related to all computer, related equipment, network and internet use. Any such use which is found to include inappropriate, suggestive, confidential or illegal material to the detriment of its owners or other users and which has been transmitted, received or created on this computer is a violation of the AUP. Any individual found to be in violation of this AUP will be subject to disciplinary action. The computer, related equipment, network and internet is not for personal use. If you do not understand the information contained in this policy, please contact a member of ICT Support.
