

## Brownhills Ormiston Academy Curriculum

Here at Brownhills Ormiston Academy, our inclusive curriculum endeavours to:

- Support all students to be the best that they can be, ensuring they have **high expectations** and **aspirations** for their achievement, behaviour and future pathways.
- Overcome **barriers to learning**.
- Deliver a **broad, challenging, knowledge-rich curriculum** which develops mastery of content and skills through careful sequencing.
- Raise standards of **reading, literacy, oracy and numeracy** so students leave us with the essential skills.
- Develop students' **transferable skills** to support them towards academic excellence and resilience.
- Provide **enrichment** opportunities which promote creativity, health, mental wellbeing and social action.
- Equip students with the knowledge and **cultural capital** they need to succeed in life and prepare them for being confident British citizens who are thoughtful, caring and respectful of communities and cultures.
- Deliver excellence based on our values of Ready, Respect, Safe.
